From the Principal's Office

MR W. BOTHA

Week 5 of an 11-week school term has come to an end and what an exciting week it has been! Our school had the honour of hosting the Inter-Primary Athletics meeting on Tuesday 10 and Thursday 12 February. The event was a great success. A special word of thanks goes to Mr. Mostert (HOD Sports) and all members of staff who worked tirelessly to make the 2026 athletic season a memorable one. This week Aston Manor Primary School made history by winning the Inter-Primary A - Circle for the first time. Laerskool Kruinsig and Laerskool Van Riebeeck Park have been dominating the A - Circle for the last 30 years, this year AMPS came to upset the applecart. Well done to all our athletes who were absolutely outstanding on the day. AMPS had a real presence on the athletics track this week and our hearts are bursting with pride. Below are the final standings after two days of intense Inter-Primary Athletics:

1. Aston Manor Primary School
2. Laerskool Kruinsig
3. Laerskool Van Riebeeck Park
4. Laerskool Impala
5. Laerskool Kempton Park
6. Laerskool Edleen
7. Laerskool Birchleigh
8. Laerskool Jeugpark Primary

Inspirational Quotes:

"Victory is not won by those who never fall, but by those who never quit."

SCHOOL FEES - R1 930 per month

GRADE RR & R FEES – R2 190 per month

AFTERCARE FEES - R1 260 per month

As we continue to work together in providing the best educational experience for our students, we would like to take this opportunity to remind all parents and guardians about the upcoming school fee payment deadline. Timely payment of school fees ensures that we can maintain the high standard of education and resources that benefit our students.

School fees cover essential resources including classroom materials, extracurricular activities, and facility maintenance, which directly contribute to a nurturing learning environment. We kindly ask that all payments be made promptly by the 7th of each month, to avoid any disruption to your child's participation in school activities.

Thank you for your continued support. We greatly appreciate your cooperation in helping us provide the best education for our students.

Valentine's Disco

It was World Read Aloud Day on Wednesday 4th February 2026.

The learners at Aston Manor Primary School enjoyed a read aloud day. But why is this event so important and what are the hidden facts behind such a great day?

How did World Read Aloud Day start?

World Read Aloud Day (WRAD) was founded in 2010 by the nonprofit organization LitWorld to promote literacy as a fundamental human right. It originated from a suggestion by a child to LitWorld founder Pam Allyn to create a "birthday" for reading aloud after experiencing the joy of a shared story.

Key details regarding its origin and purpose:

- Founder:** LitWorld, a New York City-based organization.
- Origin Story:** While reading "Where the Wild Things Are" to a class, a student suggested having a special day for reading.
- Goal:** To celebrate the power of reading aloud to create community, amplify new stories, and advocate for literacy.
- Global Movement:** Now celebrated annually on the first Wednesday of February, it reaches millions of people across more than 100 countries.
- Impact:** The initiative highlights that reading aloud, even in homes without many books, significantly boosts children's literacy, vocabulary, and emotional development.

Sponsorship

Request for Sponsorship of Sports Attire / Equipment

Aston Manor Primary School is committed to promoting physical education, teamwork, and healthy lifestyles among our learners. As part of our ongoing efforts to strengthen our sports programme, we kindly request your support through the sponsorship of sports attire and/or sports equipment for our teams.

The contribution of our parents and local businesses will enhance the sporting experience of our learners and ensure that all children, regardless of background, have the opportunity to participate fully and proudly in school sports.

In return for your generosity, we would be pleased to offer the following marketing benefits to your company:

- **Your brand logo printed on our team sports attire (e.g., jerseys, tracksuits).**
- **Acknowledgement of your business at school assemblies, sports events, and competitions.**
- **Display of your company banner at major school sport events.**
- **Recognition on our school's social media platforms and newsletters.**

We believe this partnership will not only support our learners but also provide your business with positive visibility within our school community and at the various sporting events we attend.

We would greatly appreciate the opportunity to meet and discuss possible sponsorships at your earliest convenience.

Please feel free to contact us on 073 723 4025 or henrymostert@amps.za.com for any additional information.

We look forward to the possibility of partnering with you.

Athletics

AMPS Athletics has etched its name into the history books by becoming the first English Primary School in 30 years to win the prestigious Inter-Primary A League competition. This remarkable achievement is a true testament to the hard work, commitment, and resilience shown by our athletes throughout the season.

From the very first training session to the final race of the competition, our learners demonstrated exceptional grit, determination, and perseverance. Their dedication to both personal excellence and team success has made the entire AMPS community immensely proud.

It remains a privilege to coach and mentor these talented young athletes. We are committed to continuing to create opportunities across all sporting codes, ensuring every child has the platform to express themselves, grow in confidence, and strive for greatness.

"Nothing is impossible, the word itself says, 'I'm possible!"

The simplest way to pay your school

- 1 Download the Karri app for free
- 2 Create an account using the email address you provided the school
- 3 Make quick and secure payments to your child's school instantly

Karri is the nation's favourite way to pay schools. Join the hundreds of thousands of parents who make quick, safe and cashless payments for their children daily via the Karri app.

"Convenient, quick payments! No more looking for change, I Love it!" -Karri parent

Dear Parents

We are very pleased to introduce you to the **Karri Card**.

A Mastercard for students

The Karri Card is an innovative and secure way for parents to manage their child's spending. Children get their name on a bank card and parents get peace of mind through transaction information and controls.

Parents can top-up instantly, block lost cards, reset forgotten PINs and receive spending alerts in real time. Students can pay at South African merchants that accept Mastercard - perfect for purchases at school and beyond!

In addition, the Karri Card provides simplicity and control not offered by a normal bank card:

- **Sign up easily** without the need for a birth certificate
- Set **daily spending limits**
- Rest easy knowing **inappropriate merchants** such as gambling vendors and liquor retailers are **blocked** (T&Cs for details)
- **Multi-parent functionality** which allows both parents to manage cards

Opt in process: Parents who would like a Karri Card will have the option to opt-in via a Karri collection. Please pay for the collection before the closing date to get your card on the distribution day.

Fees: Monthly card fees are R39pm for 1 card, R68pm for 2 cards, or R87pm for 3 cards (Incl. VAT). To streamline billing, the first three months will be billed upfront. A 2.5% instant top up fee applies.

Card distribution: Cards will be handed out in class or available at reception on the distribution day. Distribution will take place within about 5 working days after the collection closes. Parents will receive an email when cards are ready.

SA ID required: Due to local regulations, the Karri Card can only be activated by a parent with a SA ID number. Karri is working to offer the card to international parents in the future.

Karri support: Karri's customer support channels are active during office hours on + 27 (0)21 300 1867 or support@karri.co.za. Alternatively, make use of the support chat in the Karri app.

Together we can build smart money habits for the next generation.

Kind regards,

Finance Department
