From the Principal's Office

MR W. BOTHA

Week 2 of a 10-week school term has gone by in a flash and so has the month of July. During the month of August our learners will be actively involved in academics as well as various sports such as chess, cross country, hockey and cricket. On the cultural side AMPS will host the Nova Arte' Eisteddfod for grades 5 and 7 over a period of two weeks. We are looking forward to welcoming learners and parents from all primary schools in Kempton Park to our beautiful school during this period. Our school's senior choir has been invited to compete in the very prestigious Benoni Eisteddfod this year and we are excited for AMPS to rub shoulders with top schools like Laerskool Rynfield, Laerskool Northmead, Rynfield Primary, Farrarmere Primary, Arbor and Tom Newby Primary. May our school's talented choir stand up against the choir giants of Benoni next month.

Inspirational Quotes:

"Your work is going to fill a large part of your life, and the only way to be truly satisfied is to do what you believe is great work. And the only way to do great work is to love what you do."

- Steve Jobs

"Chase the vision, not the money; the money will end up following you."

- Tony Hsieh

"Don't worry about failure; you only have to be right once."

- Drew Houston

"Ideas are easy. Implementation is hard."

- Guy Kawasaki

Staff Matters

Management and the SGB are sad to announce that Mr. Lindsay (HOD Guidance & Discipline) will be leaving our school, this afternoon Friday, 31 July. Mr. Lindsay and his his wife have decided to start their own business, named The Lindsay Learning Centre. We wish them the very best for this exciting new venture. Mr. Lindsay taught at AMPS for a period of ten years, and during this time he served on the School Management Team. Mr. Lindsay will be remembered by the learners and staff for his friendly, compassionate and humoristic nature. We wish Mr. Lindsay well and we hope that his learning centre will be a resounding success.

GIVE THE GIFT OF MOVEMENT

Following the success of last year's project, we are proud to announce that our school is now a permanent collection point for the Sweethearts Foundation's "Give the Gift of Movement" initiative.

We invite all families to help us collect and recycle plastic bottle caps throughout the years to come.

The Sweethearts Foundation uses these collections to help provide wheelchairs to people in need, giving individuals greater independence, mobility, and opportunities.

How You Can Help

- Save your plastic bottle caps at home.
- Send them to school at any time during the year.
- Place them in the designated collection bin.

Collection Points

Caps can be placed in the collection points located behind and next to the school hall.

Sport

Dear Parents and Supporters,

As we kick off the new sports season, your encouragement is the most powerful tool your child has. Staying committed to a team teaches children resilience, time management, and the value of pushing through challenges even when motivation wanes. By cheering them on through every practice and game, you are helping them build a strong work ethic and lifelong habits of perseverance. Let's partner together to support our kids in honoring their commitments and finishing this season stronger than they started!

As we look ahead to Term 3, we are excited to announce that AMPS will be competing in Hockey, Cricket, and Cross Country. These sports were actively practiced during the chilly winter holidays under the dedicated guidance of our committed coaches.

We would like to extend our heartfelt thanks to all our parents and guardians for your support. Your efforts in ensuring that learners attended holiday practice sessions have not gone unnoticed and are greatly appreciated!

Regular training sessions have now resumed, and we encourage all learners to attend consistently to ensure they are well-prepared for the upcoming fixtures.

We would like to wish our coaches and players well for the upcoming season.

"Dreams are free. Goals have a cost. Time, Effort, Sacrifice, and Sweat. How will you pay for your goals?"

Mini-Hockey

We are excited to officially begin our Mini-Hockey season and would like to extend our sincere gratitude to our parents in ensuring that the girls attended the trial week. Your encouragement and involvement are greatly appreciated and play an important role in the success of our programme. A special word of thanks goes to our Mini-Hockey Organiser, Mrs. Smith, and her dedicated team of coaches for the time, effort, and enthusiasm they have invested in preparing our young players for the season ahead.

Training schedules will be communicated directly to the selected players through letters sent home. In addition, all parents of squad members will be added to the relevant WhatsApp groups to ensure that important information and updates are shared promptly throughout the season.

We kindly request that all players attend training sessions and matches. Consistent attendance is essential for developing skills, building teamwork, and making the most of the opportunities ahead.

Thank you once again for your continued support and commitment! We look forward to an exciting, successful, and enjoyable Mini-Hockey season.

"Commitment is an act, not a word."

Mini-Hockey

Since the end of May, our Grade 1 to Grade 3 girls have been developing and refining their hockey skills during their Physical Education lessons. Following a period of training and assessment, the final team selections were made during the first week of Term 3. Parents of the selected learners were informed of their child's inclusion in the team through a letter sent home.

Our young hockey players are now looking forward to competing in their first tournament on Saturday, 1 August. This is an exciting milestone for the team and a wonderful opportunity to put their skills into practice. To ensure they are well prepared, it is essential that all team members attend training sessions on a weekly basis. Regular attendance will help build confidence, strengthen teamwork, and ensure the girls are ready to represent AMPS with pride.

We wish our young hockey players every success and look forward to cheering them on at their first tournament.

"Just play. Have fun. Enjoy the game."

Dear Parents

We are very pleased to introduce you to the **Karri Card**.

A Mastercard for students

The Karri Card is an innovative and secure way for parents to manage their child's spending. Children get their name on a bank card and parents get peace of mind through transaction information and controls.

Parents can top-up instantly, block lost cards, reset forgotten PINs and receive spending alerts in real time. Students can pay at South African merchants that accept Mastercard - perfect for purchases **at school** and beyond!

In addition, the Karri Card provides simplicity and control **not offered by a normal bank card**:

- **Sign up easily** without the need for a birth certificate
- Set **daily spending limits**
- Rest easy knowing **inappropriate merchants** such as gambling vendors and liquor retailers are **blocked** (T&Cs for details)
- **Multi-parent functionality** which allows both parents to manage cards

Opt in process: Parents who would like a Karri Card will have the option to opt-in via a Karri collection. Please pay for the collection before the closing date to get your card on the distribution day.

Fees: Monthly card fees are R39pm for 1 card, R68pm for 2 cards, or R87pm for 3 cards (Incl. VAT). To streamline billing, the first three months will be billed upfront. A 2.5% instant top up fee applies.

Card distribution: Cards will be handed out in class or available at reception on the distribution day. Distribution will take place within about 5 working days after the collection closes. Parents will receive an email when cards are ready.

SA ID required: Due to local regulations, the Karri Card can only be activated by a parent with a SA ID number. Karri is working to offer the card to international parents in the future.

Karri support: Karri's customer support channels are active during office hours on + 27 (0)21 300 1867 or support@karri.co.za. Alternatively, make use of the support chat in the Karri app.

Together we can build smart money habits for the next generation.

Kind regards,
