Grade 4 Cake Sale

Congratulations to our Grade 4 learners and teachers on hosting a very successful Cake Sale last Friday. The Grade 4's managed to raise R 21 200 which is a fantastic effort!

Cash is welcome!

Parents are kindly reminded that cash payments are still accepted for school fees payments, tuck shop purchases, and fundraising initiatives. We are striving to go cashless for safety reasons, but we also understand that some parents and families prefer working with cash.

Management and staff would like to welcome Mr. Scholtz to the Aston Manor family. Mr. Scholtz will be part of our school's Sports Department and present physical education classes to grade 1 - 7 learners on a weekly basis. We wish Mr. Scholtz lots of happiness and success at our dynamic school.

SCHOOL FEES - R1 930 per month

GRADE RR & R FEES – R2 190 per month

AFTERCARE FEES - R1 260 per month

As we continue to work together in providing the best educational experience for our students, we would like to take this opportunity to remind all parents and guardians about the upcoming school fee payment deadline. Timely payment of school fees ensures that we can maintain the high standard of education and resources that benefit our students.

School fees cover essential resources including classroom materials, extracurricular activities, and facility maintenance, which directly contribute to a nurturing learning environment. We kindly ask that all payments be made promptly by the 7th of each month, to avoid any disruption to your child's participation in school activities.

Thank you for your continued support. We greatly appreciate your cooperation in helping us provide the best education for our students.

Dear Parents

We are very pleased to introduce you to the **Karri Card**.

A Mastercard for students

The Karri Card is an innovative and secure way for parents to manage their child's spending. Children get their name on a bank card and parents get peace of mind through transaction information and controls.

Parents can top-up instantly, block lost cards, reset forgotten PINs and receive spending alerts in real time. Students can pay at South African merchants that accept Mastercard - perfect for purchases **at school** and beyond!

In addition, the Karri Card provides simplicity and control **not offered by a normal bank card**:

- **Sign up easily** without the need for a birth certificate
- Set **daily spending limits**
- Rest easy knowing **inappropriate merchants** such as gambling vendors and liquor retailers are **blocked** (T&Cs for details)
- **Multi-parent functionality** which allows both parents to manage cards

Opt in process: Parents who would like a Karri Card will have the option to opt-in via a Karri collection. Please pay for the collection before the closing date to get your card on the distribution day.

Fees: Monthly card fees are R39pm for 1 card, R68pm for 2 cards, or R87pm for 3 cards (Incl. VAT). To streamline billing, the first three months will be billed upfront. A 2.5% instant top up fee applies.

Card distribution: Cards will be handed out in class or available at reception on the distribution day. Distribution will take place within about 5 working days after the collection closes. Parents will receive an email when cards are ready.

SA ID required: Due to local regulations, the Karri Card can only be activated by a parent with a SA ID number. Karri is working to offer the card to international parents in the future.

Karri support: Karri's customer support channels are active during office hours on + 27 (0)21 300 1867 or support@karri.co.za. Alternatively, make use of the support chat in the Karri app.

Together we can build smart money habits for the next generation.

Kind regards,

Finance Department

DONATE TO OUR SCHOOL'S SECONDHAND SHOP

Dear Parents and Guardians,
We hope this message finds you well.
We kindly ask for your support in contributing to our school's second-hand shop. If you have any clothing that your children have outgrown and is still in good condition, we would greatly appreciate your donation. These items help support other families in our school community.
Please note that the second-hand shop is open every Tuesday from 7:15am to 9:00am.
Thank you for your continued generosity and support.

GIVE THE GIFT OF MOVEMENT

Following the success of last year's project, we are proud to announce that our school is now a permanent collection point for the Sweethearts Foundation's "Give the Gift of Movement" initiative.

We invite all families to help us collect and recycle plastic bottle caps throughout the years to come.

The Sweethearts Foundation uses these collections to help provide wheelchairs to people in need, giving individuals greater independence, mobility, and opportunities.

How You Can Help

- Save your plastic bottle caps at home.
- Send them to school at any time during the year.
- Place them in the designated collection bin.

Collection Points

Caps can be placed in the collection points located behind and next to the school hall.
