NEWS FROM THE MEDIA

YOUR SOURCE FOR LIBRARY UPDATES, REMINDERS & WHAT MATTERS.

♥ TODAY'S HEADLINE ♥
READ • RETURN • RESPECT

THE IMPORTANCE OF Returning Books

Every book you borrow has the power to inspire, **teach** and take someone on a new **adventure**.
When books are returned on time, everyone gets a **fair chance** to read, learn and enjoy.

A book
kept too long
is a story
someone else
CAN'T READ.

WHY RETURNING BOOKS MATTERS ♥

- ♥ It gives other learners the opportunity to read and benefit from the book.
- ♥ It helps keep our library organised and ensures books don't get lost.
- ♥ It shows responsibility and respect for our school and each other.
- ♥ It helps us take care of books so they last longer for everyone.

When you return books, you're not just returning a book, you're giving **KNOWLEDGE, JOY AND OPPORTUNITY** back to others.

HOW YOU CAN HELP

RETURN ON TIME

Try to return books by the due date so others don't have to wait.

TAKE CARE

Keep books clean, don't tear pages and use a bookmark instead of folding pages.

FINISH & RETURN

Once you're done, return the book so someone else can enjoy it too.

CHECK & REMEMBER

Always check your bag and remember to bring library books back.

ENCOURAGE OTHERS

Remind your friends to return their books so everyone can benefit.

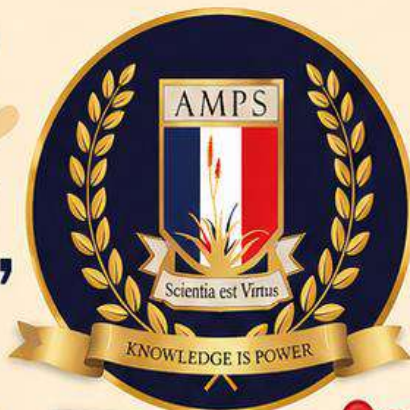

Read it. Enjoy it. Return it. Let's keep the stories going! ♥

TOGETHER, WE CAN BUILD A STRONG READING COMMUNITY!

Thank you,

Aston Manor Primary School,

for choosing Naleli Foundation as part of your
Nelson Mandela Day initiative

and for collecting nearly 300 teddies

for children in hospital.  

Each teddy will now begin a very special journey.

They will be
carefully washed

sanitised,

lovingly wrapped
and packaged,

before being
delivered

into the arms
of a child who
is sick in hospital.

Some children may only spend a few nights or weeks in a ward. Others spend **months**, and sometimes **years**, going in and out of hospital as it becomes **such a big part of their childhood**.

Your teddies give them something of their very own to cuddle through the scary days – during procedures, treatments and long waits. And perhaps even more importantly, **something to hold onto at night**, when the ward becomes quiet and the absence of home and family can be felt the most.

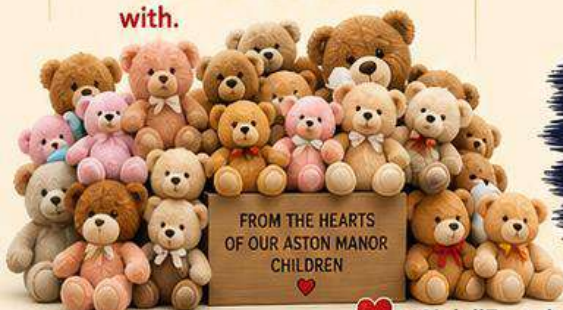

To every child who chose to part with a teddy they once loved – **thank you**.
Your teddy has already shared adventures, bedtime cuddles and special memories with you. Now it is their turn to find a new little person **to love, comfort and make new adventures with**.

What a beautiful way to live out the heart of Mandela Day – giving something of ourselves so that someone else may feel a little more loved.

“Let all that
you do be done
in love.” 

1 Corinthians 16:14

A very special **thank you** to all the **teachers** who supported and encouraged this initiative, helping the children understand the heart behind giving something they once loved to another child who needs it.

FROM THE HEARTS
OF OUR ASTON MANOR
CHILDREN

Thank you for the way you have loved, encouraged and shown up for our family over the years. We appreciate you more than words can say and love you lots and lots!

GIVE THE GIFT OF MOVEMENT

Following the success of last year's project, we are proud to announce that our school is now a permanent collection point for the Sweethearts Foundation's "Give the Gift of Movement" initiative.

We invite all families to help us collect and recycle plastic bottle caps throughout the years to come.

The Sweethearts Foundation uses these collections to help provide wheelchairs to people in need, giving individuals greater independence, mobility, and opportunities.

How You Can Help

- Save your plastic bottle caps at home.
- Send them to school at any time during the year.
- Place them in the designated collection bin.

Collection Points

Caps can be placed in the collection points located behind and next to the school hall.

Cricket

AMPS is the only English public school in Kempton Park that offers cricket as an extra-mural.

Over the years, we have worked hard to develop our boys, and we are proud to have produced provincial cricket players who have represented the Eastern Schools team since 2022.

Last year, AMPS won the Gold Cup overall, earning promotion to the Reserve Prem League, which is the second-highest league in our district.

For every AMPS coach, player development remains a passion. Our goal is to create an environment where our boys can grow, prosper and, most importantly, have fun while pursuing their love for the game.

We kindly request parents and guardians to continue supporting AMPS Cricket and to ensure that your child attends all scheduled training sessions. Consistency at training plays a vital role in the development and success of our players.

"Our success has really been based on partnerships from the very beginning."

Hockey

The hockey girls played their second league match of the season against L/s Kruinsig on Thursday, 13 August.

We are incredibly proud of the effort, determination and sportsmanship shown by our girls. While the results didn't go our way, every match is an opportunity to learn, grow and improve. We know our girls will continue to develop as the season progresses.

We encourage our players to attend all training sessions, as this is where we build our skills, confidence, teamwork and fitness.

"Keep away from people who try to belittle your ambitions. Small people always do that, but the really great ones make you feel that you, too, can become great."

Physical Education

AMPS coaches are proud of the very successful PT programme facilitated at school. We have top class facilities and boast the only swimming pool in Kempton Park. Our school is among a select few who are lucky enough to have an Astro multi-purpose court. We are blessed to have qualified coaches who ensure that all lessons are presented in an inclusive way.

Looking ahead to Term 3 we kindly request that our parents ensure that their children comply to the AMPS sports code, and dress appropriately to partake in swimming lessons. Swimming lessons will commence in the month of September. Times and dates regarding PT swimming lessons will be confirmed in advance.

•Boys' costume - Navy blue with jammer design

•Girls' costume - Navy blue with boy leg design

•Swim Cap - Navy blue

Learners will wear their PT uniform only on PT days. On the Astro court learners will be expected to wear white, navy or black sport takkies. No sneakers or "Tommy" style shoes will be allowed.

Your support in this regard will be greatly appreciated!

Dear Parents

We are very pleased to introduce you to the **Karri Card**.

A Mastercard for students

The Karri Card is an innovative and secure way for parents to manage their child's spending. Children get their name on a bank card and parents get peace of mind through transaction information and controls.

Parents can top-up instantly, block lost cards, reset forgotten PINs and receive spending alerts in real time. Students can pay at South African merchants that accept Mastercard - perfect for purchases **at school** and beyond!

In addition, the Karri Card provides simplicity and control **not offered by a normal bank card**:

- **Sign up easily** without the need for a birth certificate
- Set **daily spending limits**
- Rest easy knowing **inappropriate merchants** such as gambling vendors and liquor retailers are **blocked** (T&Cs for details)
- **Multi-parent functionality** which allows both parents to manage cards

Opt in process: Parents who would like a Karri Card will have the option to opt-in via a Karri collection. Please pay for the collection before the closing date to get your card on the distribution day.

Fees: Monthly card fees are R39pm for 1 card, R68pm for 2 cards, or R87pm for 3 cards (Incl. VAT). To streamline billing, the first three months will be billed upfront. A 2.5% instant top up fee applies.

Card distribution: Cards will be handed out in class or available at reception on the distribution day. Distribution will take place within about 5 working days after the collection closes. Parents will receive an email when cards are ready.

SA ID required: Due to local regulations, the Karri Card can only be activated by a parent with a SA ID number. Karri is working to offer the card to international parents in the future.

Karri support: Karri's customer support channels are active during office hours on + 27 (0)21 300 1867 or support@karri.co.za. Alternatively, make use of the support chat in the Karri app.

Together we can build smart money habits for the next generation.
