From the Principal's Office

MR W. BOTHA

Week 6 of this school term has gone by in a flash and so has the month of August. Spring has sprung and we are looking forward to sunny weather conditions over the next six months. Slowly but surely, we are also reaching the business end of the academic programme with Cycle Tests commencing on Tuesday 1 September for grade 4 - 7 learners. Learners are encouraged to be disciplined in their study routines over the next two weeks. The brain memorises information through repetition. It is thus imperative for learners to look at the study content for each of their subjects and to spend quality time working through the prescribed content. Proper prior planning prevents poor performance!

Always believe in
YOURSELF

Inspirational Quotes:

"If you don't do your revision properly, you know what will happen? You shall not pass!"

- Sir Ian McKellen

"Believe in yourself and all that you are. Know that there is something inside you that is greater than any obstacle."

- Christian D. Larson

"Believe in yourself, take on your challenges, dig deep within yourself to conquer fears. Never let anyone bring you down. You got to keep going."

- Chantal Sutherland

"Keep your dreams alive. Understand to achieve anything requires faith and belief in yourself, vision, hard work, determination, and dedication.

Remember all things are possible for those who believe."

- Gail Devers

Farewell - Mrs. Van der Riet (secretary)

Management is sad to announce that Mrs. Van der Riet who has been working in the front office for a period of 7 years, is officially retiring today. Mrs. Van der Riet took a lot of pride in her work and delivered exceptional customer service to parents, staff and learners during her time at AMPS. May this new chapter of her life bring her endless joy, relaxation and freedom.

Grade 2 Cake and Candy Sale

Congratulations to our Grade 2's who hosted a very successful Cake Sale today. An amount of R20 000 was raised by the Grade 2's and we are grateful for the effort. Thank you to all the parents for their donations of delicious sweet treats!

Grade 2 Cake and Candy Sale

Code of Conduct – Learners

Grade RR - 7 parents and learners are to please take note of the following provisions in the Code of Conduct for Learners, pages 15, 17 & 18 of the AMPS Homework Diary:

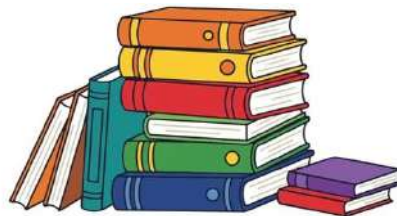

Section I: Punctuality

1. The school day is carefully planned to maximise the time available for teaching extra - murals. Late arrivals to class cause undesirable disruption of the teaching process, as well as other School activities. Consequently, learners must arrive at the set time for commencement of School each day, including each class activity and assembly. The learner must furnish a note from his / her parents explaining late arrival for the commencement of School.
2. Five (5) points will be deducted from a learner's House (Apollo, Gemini, Mariner) when he / she is a regular latecomer.

Section L: Conduct - General

30. Parents are required to check their children's homework daily and to sign their child's homework diary daily. This is not the responsibility of aftercare.
31. Learners are to ensure that parents receive any documents, circulars, merits and offences issued by the school. Merits and Offences must be signed and dated by the parents.
32. If the learner loses the Official School Diary, it is the learner's responsibility to replace this book immediately and to update his / her book. Immediate homework class on a Friday will be issued. Failure to attend homework class will result in two homework class sessions and / or further disciplinary action.
33. Ball games are only allowed during breaks under the supervision of the educator concerned. Ball games to be played on the far side of the field, beyond the cricket pitch. No cricket bats or cricket balls are allowed.
34. No ball games to be played on the grade 1 playground or in front of the grade 3 classrooms.

TODAY'S
HEADLINE

READ • RETURN • RESPECT

THE IMPORTANCE OF Returning Books

A book
kept too long
is a story
someone else
CAN'T READ.

- ♥ Every book you borrow has the power to **inspire**, **teach** and take someone on a new **adventure**.
- ♥ When books are returned on time, everyone gets a **fair chance** to read, learn and enjoy.

When you return books,
you're not just returning a book,
you're giving
KNOWLEDGE,
JOY AND
OPPORTUNITY
back to others.

WHY RETURNING BOOKS MATTERS

It gives other learners the opportunity to read and benefit from the book.

It helps keep our library organised and ensures books don't get lost.

It shows responsibility and respect for our school and each other.

It helps us take care of books so they last longer for everyone.

HOW YOU CAN HELP

RETURN ON TIME

Try to return books by the due date so others don't have to wait.

TAKE CARE

Keep books clean, don't tear pages and use a bookmark instead of folding pages.

FINISH & RETURN

Once you're done, return the book so someone else can enjoy it too.

CHECK & REMEMBER

Always check your bag and remember to bring library books back.

ENCOURAGE OTHERS

Remind your friends to return their books so everyone can benefit.

Read it. Enjoy it. Return it.

TOGETHER, WE CAN BUILD A STRONG READING COMMUNITY!

GIVE THE GIFT OF MOVEMENT

Following the success of last year's project, we are proud to announce that our school is now a permanent collection point for the Sweethearts Foundation's "Give the Gift of Movement" initiative.

We invite all families to help us collect and recycle plastic bottle caps throughout the years to come.

The Sweethearts Foundation uses these collections to help provide wheelchairs to people in need, giving individuals greater independence, mobility, and opportunities.

How You Can Help

- Save your plastic bottle caps at home.
- Send them to school at any time during the year.
- Place them in the designated collection bin.

Collection Points

Caps can be placed in the collection points located behind and next to the school hall.

SPEECH & DRAMA

with Startime Players

Find your **voice**,
build your **confidence**,
and discover the
magic of theatre!

Learners will develop:

Confidence and self-esteem

Public speaking and
communication skills

Creativity and imagination

Teamwork and co-operation

Vocal expression and
stage presence

Through **fun games**,
improvisation,
movement,
storytelling and
performance activities,
children will learn
valuable life skills in
a supportive and
enjoyable environment.

Cross Country

AMPS athletes competed exceptionally well at the D17 Cross Country League event held at Curro Serengeti in Kempton Park.

A total of 20 AMPS athletes competed, with an impressive 17 finishing in the top 25 out of 60 athletes. 3 of our athletes finished in the top 6, earning qualification for the Gauteng Championships, which will be held at Curro Sagewood in Randburg on 12 September.

Congratulations to the following athletes:

**Lorreta Nyakachanga (U/9) - 3rd
Khanya Jama (U/11) - 3rd
Kabongo Beya Nyathi (U/10) - 5th**

"If we practice being spectacular long enough, spectacular will become our way of being."

Hockey

AMPS Hockey continues to grow from strength to strength, and this progress is evident in the confidence, determination and skill displayed on the field.

Our senior girls set the tone this week, delivering impressive performances against tough opposition. Their commitment, teamwork and competitive spirit is truly commendable, showcasing just how far our hockey programme has come.

We are incredibly proud of our girls and the dedication of our coaches, whose hard work and commitment continue to inspire our players to reach their full potential.

"The important thing is not being afraid to take a chance. Remember, the greatest failure is to not try."

Cricket

At AMPS, we strive to create opportunities for our learners to excel and develop in all aspects of life.

Sport serves as a powerful metaphor for life, teaching our learners that character, resilience, teamwork and collaboration matter far more than the final score on the board.

Our cricket programme continues to make excellent progress, with our teams showing great determination, skill and sportsmanship on the field.

"What I do today helps me win tomorrow."

Swimming

At Aston Manor Primary School, we believe in providing opportunities for every learner to develop their skills, confidence and potential. AMPS is fortunate to have a swimming pool on our school grounds, and we are excited to begin preparations for the 2026 swimming season.

As part of our Physical Education programme, we will be introducing learners to basic swimming skills and water safety, with a focus on developing confidence and fundamental swimming techniques.

The Grade 4 to Grade 7 learners will have an opportunity to swim during their PT periods next week. Swimming will also form part of their PT programme during Term 4.

Please note that participation in swimming is not compulsory. Important: No learner will be permitted to enter the swimming pool without the necessary parental/guardian consent being provided.

Arrangements for PT sessions:

Dates:

31 Augustus - 23 October

Participating age groups:

U10, U11, U12 and U13

Dress Code:

- **PT uniform will be worn with the costume's underneath**
- **Full costumes for girls and jammer tights for boys**
- **Sunscreen**
- **Swimming cap**
- **Towel**
- **Kitbag with a change of underwear**

All participants must come to school dressed in their PT uniform.

Thank you for your support.

SCHOOL FEES - R1 930 per month

GRADE RR & R FEES – R2 190 per month

AFTERCARE FEES - R1 260 per month

As we continue to work together in providing the best educational experience for our students, we would like to take this opportunity to remind all parents and guardians about the upcoming school fee payment deadline. Timely payment of school fees ensures that we can maintain the high standard of education and resources that benefit our students.

School fees cover essential resources including classroom materials, extracurricular activities, and facility maintenance, which directly contribute to a nurturing learning environment. We kindly ask that all payments be made promptly by the 7th of each month, to avoid any disruption to your child's participation in school activities.

Thank you for your continued support. We greatly appreciate your cooperation in helping us provide the best education for our students.

The simplest way to pay your school

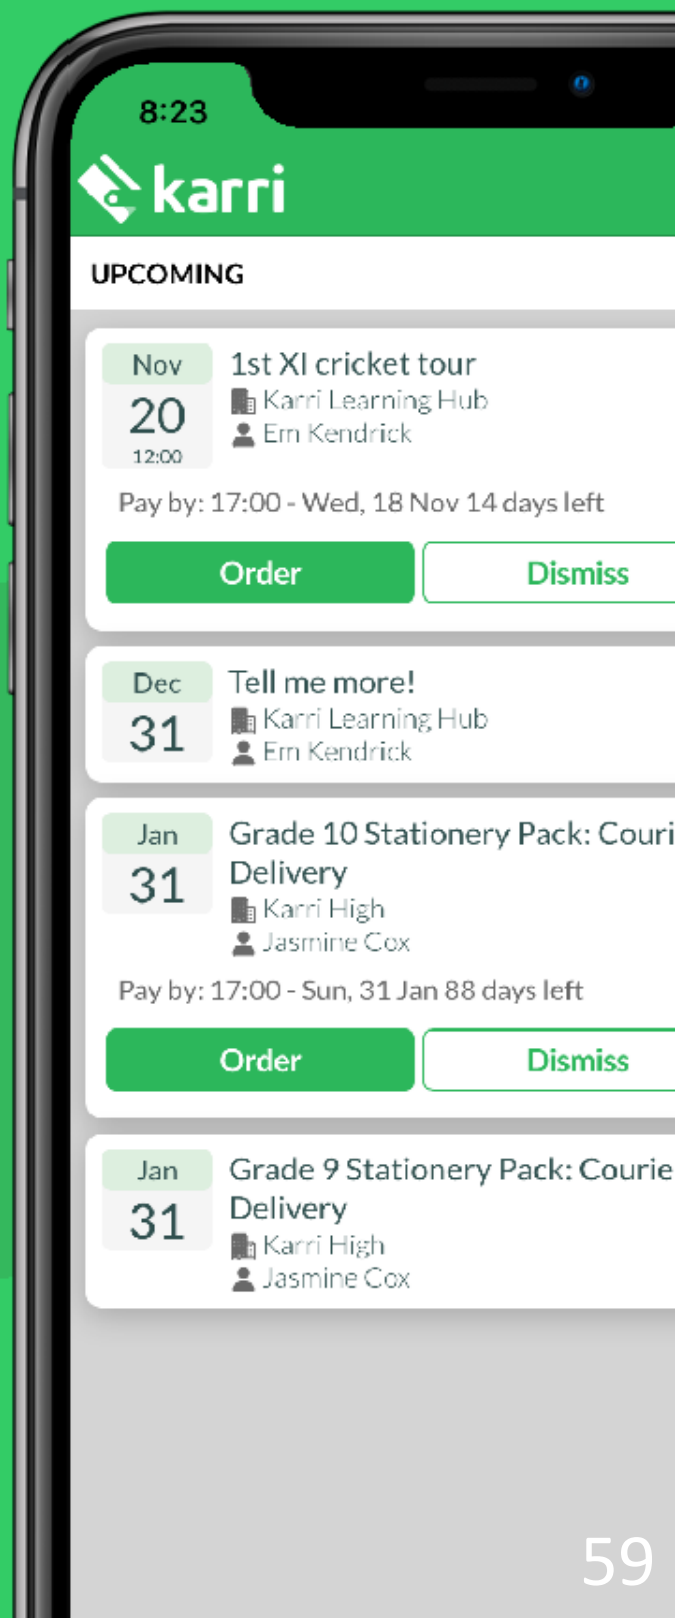

1 Download the Karri app for free

2 Create an account using the email address you provided the school

3 Make quick and secure payments to your child's school instantly

Karri is the nation's favourite way to pay schools. Join the hundreds of thousands of parents who make quick, safe and cashless payments for their children daily via the Karri app.

"Convenient, quick payments! No more looking for change, I Love it!" -Karri parent

Dear Parents

We are very pleased to introduce you to the **Karri Card**.

A Mastercard for students

The Karri Card is an innovative and secure way for parents to manage their child's spending. Children get their name on a bank card and parents get peace of mind through transaction information and controls.

Parents can top-up instantly, block lost cards, reset forgotten PINs and receive spending alerts in real time. Students can pay at South African merchants that accept Mastercard - perfect for purchases **at school** and beyond!

In addition, the Karri Card provides simplicity and control **not offered by a normal bank card**:

- **Sign up easily** without the need for a birth certificate
- Set **daily spending limits**
- Rest easy knowing **inappropriate merchants** such as gambling vendors and liquor retailers are **blocked** (T&Cs for details)
- **Multi-parent functionality** which allows both parents to manage cards

Opt in process: Parents who would like a Karri Card will have the option to opt-in via a Karri collection. Please pay for the collection before the closing date to get your card on the distribution day.

Fees: Monthly card fees are R39pm for 1 card, R68pm for 2 cards, or R87pm for 3 cards (Incl. VAT). To streamline billing, the first three months will be billed upfront. A 2.5% instant top up fee applies.

Card distribution: Cards will be handed out in class or available at reception on the distribution day. Distribution will take place within about 5 working days after the collection closes. Parents will receive an email when cards are ready.

SA ID required: Due to local regulations, the Karri Card can only be activated by a parent with a SA ID number. Karri is working to offer the card to international parents in the future.

Karri support: Karri's customer support channels are active during office hours on + 27 (0)21 300 1867 or support@karri.co.za. Alternatively, make use of the support chat in the Karri app.

Together we can build smart money habits for the next generation.

Kind regards,
