From the Principal's Office

MR W. BOTHA

A warm welcome back to all members of staff and learners after a well-deserved break. Term 4 consists of 10 weeks, and we are excited to finish the 2026 academic year on a high. Year-end controlled tests for Grade 4 - 7 learners will commence on Friday 6 November. It is of utmost importance that learners attend school religiously over the next 4 weeks in order to be well prepared for final assessments.

Inspirational Quotes:

"You are braver than you believe, stronger than you seem and smarter than you think."

-Winnie the Pooh

"You have three choices, give up, give in or give it all you got."

-Hiro Mashima

"It matters not what someone is born to, but what they grow to be."

-Elvis Dumbledor

"Happiness is not something ready made. It comes from your own actions."

-Dalai Lama

Code of Conduct – Learners

Grade RR - 7 parents are to please take note of the following provisions in the Code of Conduct for Learners, pages 14 & 15 of the AMPS Homework Diary:

Section G: Hairstyles

Boys:

1. Hair must be neat, natural, clean and tidy.
2. Fashion hairstyles such as stencils shaved into hair are not permitted. No exaggerated hairstyles such as comb overs, man buns, mohawks and V-shaped hairlines will be permitted.
3. Boys' hair must be short enough; it may not touch the ears or eyebrows and must be above the collar without being tied back. Hair must be one length all around - no steps or levels.
4. Kinky or tightly curled hair styled in such a way as to stand out all around the head, is not permitted.

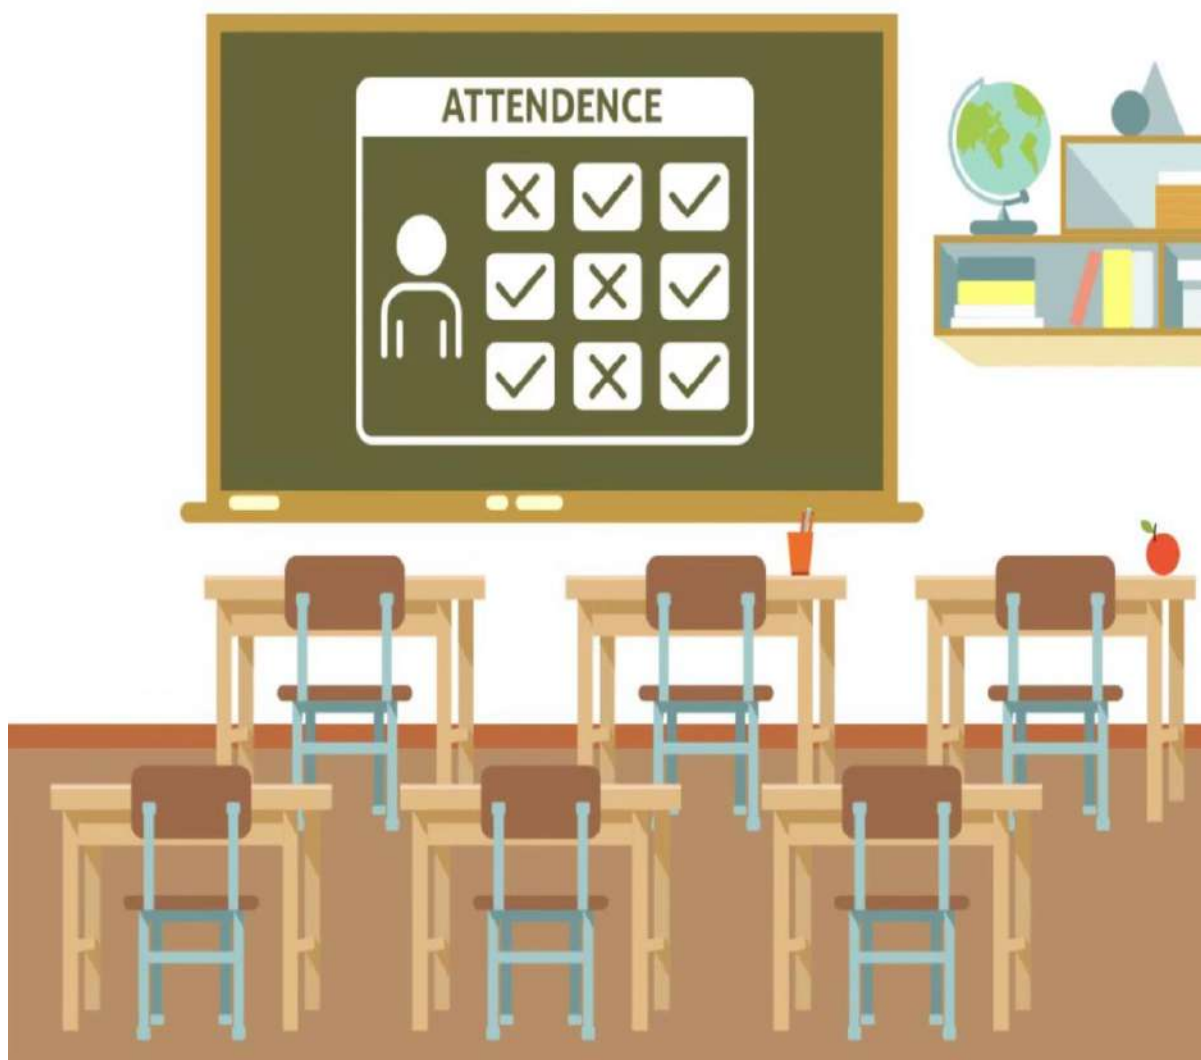

Girls:

5. Braided hair (girls only) must be the same colour as the child's natural hair colour.
6. All hair that is shoulder length or unruly hair must be tied back or plaited and the fringe must be out of the face (including braids).
7. Children's hair, eyebrows and eyelashes may not be coloured, shaved or tinted. If hair is coloured during the School holidays, the hair must be returned to the NATURAL / NORMAL colour when School re-opens.
8. Girls' hair accessories may be white OR navy OR red OR tartan (same as dress). Plain silver clips are permitted. Colours may not be mixed or matched. **Beads may not be worn.**

Section J: Absenteeism

1. A learner may only absent himself / herself from School during a School Day in extraordinary circumstances.
2. Any learner who absents himself / herself from School without satisfactory excuse will be deemed to be playing truant (bunking), which is strictly forbidden.
3. Unwarranted absence during final assessments cannot and will not be condoned. If a learner is absent from school for an assessment or for a period of two days or more a doctor's note is required.
4. Absence for a day requires a letter from the parent.
5. It always remains the child's responsibility, to ensure that he / she "catches up" all and any work missed owing to absenteeism.

AMPS coaches are proud of the very successful PT programme facilitated at school. We have top class facilities and boast the only swimming pool in Kempton Park. Our school is among a select few who are lucky enough to have an Astro multi-purpose court. We are blessed to have qualified coaches who ensure that all lessons are presented in an inclusive way.

Looking ahead to Term 4 we kindly request that our parents ensure that their children comply to the AMPS sports code, and dress appropriately to partake in swimming lessons. Swimming lessons have commenced

- **Boys' costume - Navy blue with jammer design**

The simplest way to pay your school

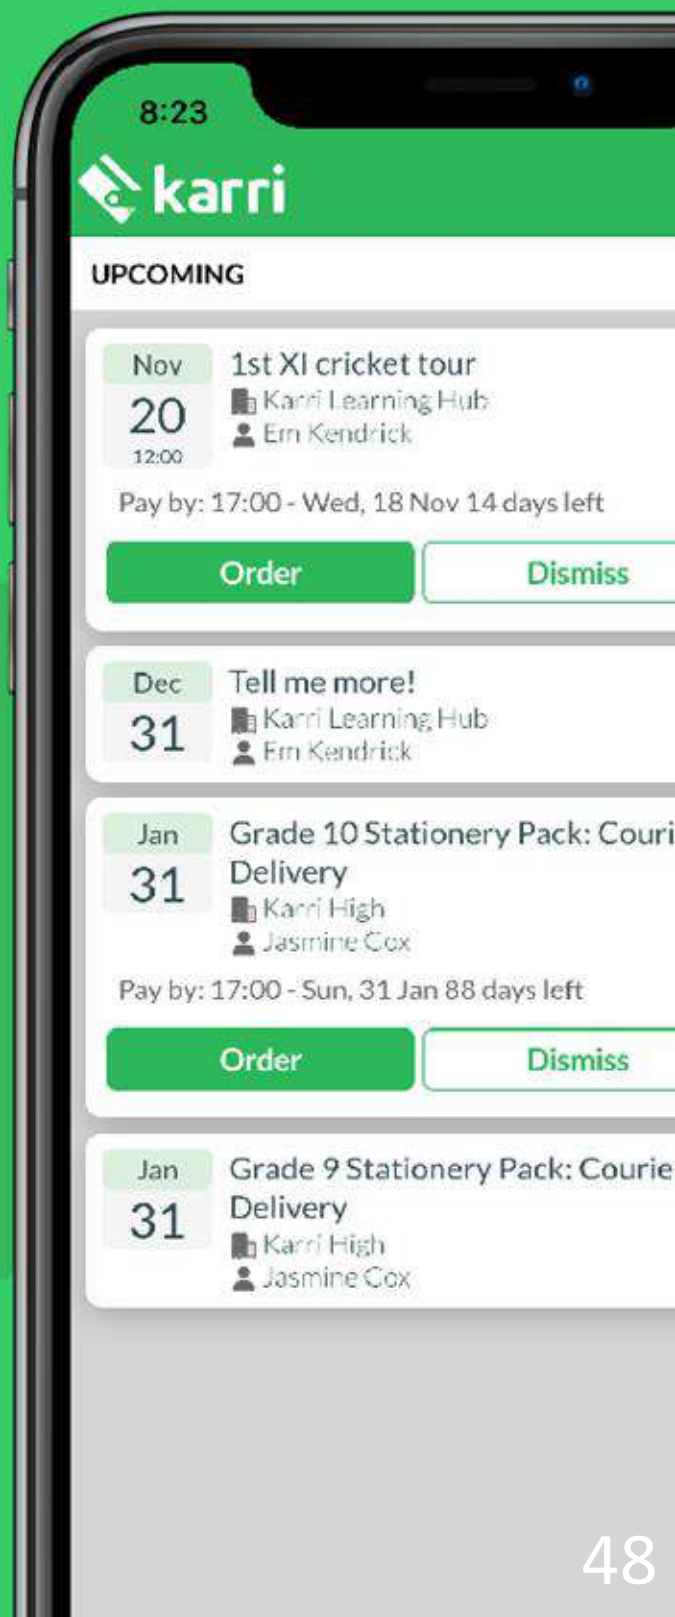

1 Download the Karri app for free

2 Create an account using the email address you provided the school

3 Make quick and secure payments to your child's school instantly

Karri is the nation's favourite way to pay schools. Join the hundreds of thousands of parents who make quick, safe and cashless payments for their children daily via the Karri app.

"Convenient, quick payments! No more looking for change, I Love it!" -Karri parent

Dear Parents

We are very pleased to introduce you to the **Karri Card**.

A Mastercard for students

The Karri Card is an innovative and secure way for parents to manage their child's spending. Children get their name on a bank card and parents get peace of mind through transaction information and controls.

Parents can top-up instantly, block lost cards, reset forgotten PINs and receive spending alerts in real time. Students can pay at South African merchants that accept Mastercard - perfect for purchases **at school** and beyond!

In addition, the Karri Card provides simplicity and control **not offered by a normal bank card**:

- **Sign up easily** without the need for a birth certificate
- Set **daily spending limits**
- Rest easy knowing **inappropriate merchants** such as gambling vendors and liquor retailers are **blocked** (T&Cs for details)
- **Multi-parent functionality** which allows both parents to manage cards

Opt in process: Parents who would like a Karri Card will have the option to opt-in via a Karri collection. Please pay for the collection before the closing date to get your card on the distribution day.

Fees: Monthly card fees are R39pm for 1 card, R68pm for 2 cards, or R87pm for 3 cards (Incl. VAT). To streamline billing, the first three months will be billed upfront. A 2.5% instant top up fee applies.

Card distribution: Cards will be handed out in class or available at reception on the distribution day. Distribution will take place within about 5 working days after the collection closes. Parents will receive an email when cards are ready.

SA ID required: Due to local regulations, the Karri Card can only be activated by a parent with a SA ID number. Karri is working to offer the card to international parents in the future.

Karri support: Karri's customer support channels are active during office hours on + 27 (0)21 300 1867 or support@karri.co.za. Alternatively, make use of the support chat in the Karri app.

Together we can build smart money habits for the next generation.

Kind regards,

Finance Department

TOP UP YOUR KARRI WALLET THIS PAYDAY.

Stay ready for every school expense.

With the Karri App you can:

- Plan and budget for school payments.
- Pay collections in seconds.
- Preload funds so you're always prepared for last-minute needs.
