From the Principal's Office

MR W. BOTHA

Week 2 of a 10-week academic cycle has come to an end and what a successful week it has been! Thank you to the teaching staff for going the extra mile in preparing the learners for final assessments. Grade 4 - 7 learners have three (3) weeks left of intensive teaching and learning before exams commence on Friday 6 November. The learners are urged to make use of every opportunity in the classrooms to obtain the correct information from their subject teachers for the upcoming exams. Good planning and preparation is key to academic success, and we hope to see Aston Manor Primary School obtaining a 95% pass rate at the end of the 2026 academic year.

Inspirational Quotes:

"By failing to prepare, you are preparing to fail."

- Benjamin Franklin

"A goal without a plan is just a wish."

- Antoine de Saint

"Planning is bringing the future into the present so that you can do something about it."

Aftercare Fees

Parents who have enrolled their children at our school's aftercare are to please take note of the following:

- Aftercare fees are payable before the 7th of every month.
- Parents are not allowed to fall behind with the payment of aftercare fees.
- Learners won't be allowed to return to aftercare if fees aren't paid in full.

Aftercare is a service provided to the parents by the School Governing Body and meets the needs of parents who are working late. Learners are fed and supervised from Monday to Friday and it comes at a cost. Parents are kindly requested to keep up to date with payment of aftercare fees in order to prevent the disappointment of losing their spot.

Code of Conduct – Learners

Grade RR - 7 learners and teachers are to please take note of the following provisions in the Code of Conduct for Learners, pages 14 and 15 of the AMPS Homework Diary:

Section H: Accommodation of Religious OR Cultural Rights

Religious practices, conduct or obligation that relate to the core values and beliefs of a recognised religion and that conflict with any rule contained in this code of conduct will be accommodated by a deviation from this Code of Conduct by the Governing Body.

1. The learner, assisted by the parent, must apply for a deviation from the standard School rules of such rules conflict with or infringe on any religious right of the learner.
2. The application must be in writing and must identify the specific rules/s that is/are offensive to the learner's religious rights as contained in the Constitution of the Republic of South Africa.
3. The application must include a reasonable interpretation of the religious rights that the learner feels are offensive and a suggestion on how the rules may be supplemented by the Governing Body to accommodate such religious rights.
4. The learner must provide proof that he/she belongs to that specific religion and that the religious practices, rules and obligations that are in conflict with the School's Code of Conduct are his/her true beliefs and commitments.
5. The religious conduct or practice must be lawful.
6. The Governing Body must consider the application and, if it is satisfied that the application is justified in terms of Constitutional principles, the application will be granted in writing within 14 days.
7. When the Governing Body allows for deviations from the standard rules, such deviations must be based on core religious beliefs inherent to the religion, and it must be compulsory for the learner to comply with such beliefs.

8. The deviation must specify the exemption from the normal rules and must clearly identify the conduct that will be allowed - e.g., the wearing of a head scarf, including the colours and details of design; the growing of a beard; or the wearing of a specific hairstyle or jewellery - and the conditions under which such deviations will be applicable to the learner.

9. Cultural rights will be considered in the event that they do not relate to a religion, if such cultural rights manifest in conduct of a permanent nature that is compulsory for the cultural group. Any request for a deviation from the Code of Conduct based on cultural rights must be in writing and must be based on a process similar to that contained in sub-paragraphs 1 to 8 above.

Section I: Punctuality

1. The school day is carefully planned to maximise the time available for teaching extra-murals. Late arrivals to class cause undesirable disruption of the teaching process, as well as other School activities. Consequently, learners must arrive at the set time for commencement of School each day, including each class activity and assembly. The learner must furnish a note from his/her parents explaining late arrival for the commencement of School.
2. Five (5) points will be deducted from a learner's house (Apollo, Gemini, Mariner) when he/she is a regular latecomer.

16 October 2026

Dear Grade RR - 7 Parents

This letter serves to confirm that Management met with representatives of the Ekurhuleni North Scholar Transport Association today to discuss the safety incident that took place yesterday, Thursday 15 October.

Members of the South African Police Force were also present in the meeting. The ENSTA confirmed that the man accused of attempting to abduct a Grade 1 learner after school, is in fact a transport driver registered with them. The driver in question was present in the meeting and confirmed that it was a matter of mistaken identity on two occasions, Tuesday 13 and Thursday 15 October.

Management and the parents of the said child expressed our concern regarding the safety of learners who are transported by drivers registered with the ENSTA. The Ekurhuleni North Scholar Transport Association and the driver will provide to the School and parents of the child in question a written statement on Monday 19 October to clarify the situation. The ENSTA also promised to put measures in place to prevent incidents like this from happening again in future.

Parents are kindly requested to ensure that their children are fetched promptly after school. Learners should not wait on the sidewalk for hours to be fetched by parents or transport drivers. Teachers and educator assistants do duty at Goosey, Eland and Njala gates from 13:55 - 14:30 (Monday - Friday).

The School is not responsible for the safety of learners after 14:30. Parents are also urged to ensure that their children will know on a daily basis who is fetching them from school. Learners making use of scholar transport must be able to identify the driver who is fetching them on a daily basis. Parents must ensure that the driver knows the child and vice versa.

There can't be a mistaken identity when learners are fetched.

Mr. W. Botha

Thank you for your continued generosity and support.

Grade 6 Leadership Camp

The Grade 6 Leadership Camp was a special experience, filled with laughter, great memories and, of course, some really good food! It was lovely getting to know the learners outside the classroom and seeing them take responsibility, work together and help one another. It was great to see how they stepped up, worked as a team and showed their own leadership skills.

There was never a dull moment, and the teachers made sure to add a little fun of their own too! It is safe to say that both the learners and teachers had plenty of laughs.

A big thank you to all the teachers for the teamwork and effort that went into making the camp such a success. We left with happy memories, and it was wonderful to see the learners grow, support one another and learn what being a good leader is all about.

News from the Media Center

Happy BOSS'S DAY!

Today we celebrate the amazing leaders in our lives – the people who encourage, guide and help us become the best versions of ourselves!

Leadership is not about being in charge, it's about making a difference.

Great leaders aren't born, they are made by reading, learning and never giving up.

READ LEADERSHIP BOOKS!

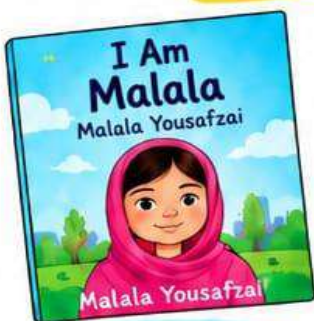

Books help us learn new ideas, build confidence and give us the tools to become great leaders!

Leadership starts with **YOU!**

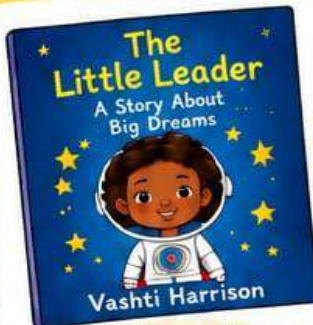

You don't have to be the boss of a big company to be a leader. You can be a leader in your classroom, in your family, in your friendships and in your community!

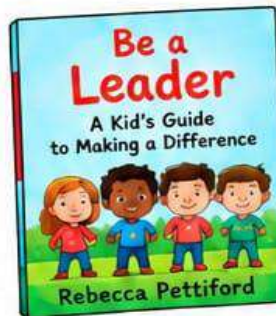

It takes anyone to be a boss but a special person to be a leader.

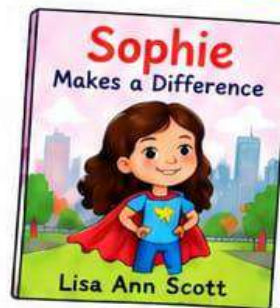

Shows how one brave girl can make a big difference.

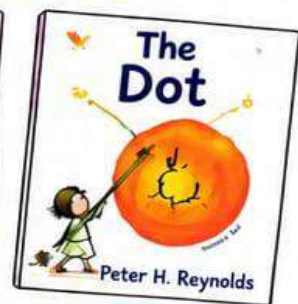

Teaches us that leadership comes in all shapes, sizes and colours.

Gives simple tips on how to be a leader every day.

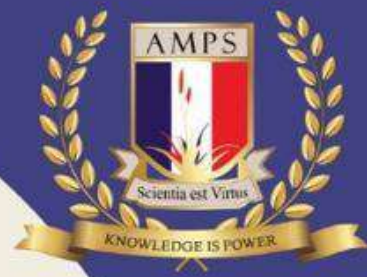

A story about kindness, courage and standing up for what's right.

Shows that everyone has a voice and can be a leader.

Read ♥ Learn ♥ Lead ♥ Make a difference!

GIVE YOUR STATIONERY A SECOND LIFE!

Do you have stationery at home that is still in good condition but no longer being used? Instead of letting it go to waste, give it a second chance to make a difference!

We are collecting pre-loved stationery to help children in our community and create stationery packs for children who need them.

WHAT CAN YOU DONATE?

- Crayons and colouring pencils
- Exercise books and notebooks
- Erasers, sharpeners and etc
- Pencils and pens
- Rulers

GIVE WHAT YOU CAN. MAKE A DIFFERENCE.

WHERE TO DONATE?

Please drop off your donations in the collection box in the Grade Head's classroom.

GIVE THE GIFT OF MOVEMENT

Following the success of last year's project, we are proud to announce that our school is now a permanent collection point for the Sweethearts Foundation's "Give the Gift of Movement" initiative.

We invite all families to help us collect and recycle plastic bottle caps throughout the years to come.

The Sweethearts Foundation uses these collections to help provide wheelchairs to people in need, giving individuals greater independence, mobility, and opportunities.

How You Can Help

- Save your plastic bottle caps at home.
- Send them to school at any time during the year.
- Place them in the designated collection bin.

Collection Points

Caps can be placed in the collection points located behind and next to the school hall.

Cricket

Aston Manor Primary is the only public English school who compete in the cricket league. We are extremely proud of our cricket programme. And we trust that we will continue to make strides.

AMPS U/9 won by 8 wickets against Laerskool Generaal Alberts and they went on to beat Laerskool Delmas on the 15th of October in the Eastern's Reserve Prem Semi-Finals by 9 wickets. AMPS U/9 will compete in the U/9 Eastern's Reserve Prem Finals against St. Declan's Preparatory School.

AMPS U/10 progressed to the Semi-Finals and they faced Laerskool Generaal Alberts in Eastern's Reserve Prem Semi-Finals but they unfortunately came up short on the day.

AMPS U/11 lost against Colin Mann in the Quarter Finals of the Reserve Prem League by 8 wickets. This was their 1st loss of the season and we are proud of their progress.

AMPS is proud to have players selected for the Eastern's Cricket Team.

Swimming

Aston Manor Primary remains the only school in Kempton Park who offers the opportunity for our kids to learn how to swim and to compete in swimming competitions. AMPS started swimming in 2019 and slowly improved and developed a swimming programme which allows for our children to learn and develop in the sport of swimming. Our swimmers have been training hard under the guidance of our dedicated coaches. AMPS hosted the 1st swimming gala of Term 4 and we managed to place 1st in the Swimming Gala among 3 schools. This is a good start to the relay season! Thank you to the coaches for getting behind our swimming team.

Dear Parents

We are very pleased to introduce you to the **Karri Card**.

A Mastercard for students

The Karri Card is an innovative and secure way for parents to manage their child's spending. Children get their name on a bank card and parents get peace of mind through transaction information and controls.

Parents can top-up instantly, block lost cards, reset forgotten PINs and receive spending alerts in real time. Students can pay at South African merchants that accept Mastercard - perfect for purchases **at school** and beyond!

In addition, the Karri Card provides simplicity and control **not offered by a normal bank card**:

- **Sign up easily** without the need for a birth certificate
- Set **daily spending limits**
- Rest easy knowing **inappropriate merchants** such as gambling vendors and liquor retailers are **blocked** (T&Cs for details)
- **Multi-parent functionality** which allows both parents to manage cards

Opt in process: Parents who would like a Karri Card will have the option to opt-in via a Karri collection. Please pay for the collection before the closing date to get your card on the distribution day.

Fees: Monthly card fees are R39pm for 1 card, R68pm for 2 cards, or R87pm for 3 cards (Incl. VAT). To streamline billing, the first three months will be billed upfront. A 2.5% instant top up fee applies.

Card distribution: Cards will be handed out in class or available at reception on the distribution day. Distribution will take place within about 5 working days after the collection closes. Parents will receive an email when cards are ready.

SA ID required: Due to local regulations, the Karri Card can only be activated by a parent with a SA ID number. Karri is working to offer the card to international parents in the future.

Karri support: Karri's customer support channels are active during office hours on + 27 (0)21 300 1867 or support@karri.co.za. Alternatively, make use of the support chat in the Karri app.

Together we can build smart money habits for the next generation.

Kind regards,
