MR W. BOTHA

Week 3 of a 10-week school term has gone by in quick time and we can celebrate another successful week. Year - end controlled tests are around the corner and Grade 4 - 7 learners are once again encouraged to familiarise themselves with the test timetable and study content page as reflected in Amplified. Parents are advised to draft a study schedule for their children and to monitor their study sessions over the next two weeks. Learners are urged to study well in advance for the upcoming year-end papers in order to manage the study load of all the subjects effectively.

Inspirational Quotes:

"Limitations live only in our minds. But if we use our own limitations, our possibilities become limitless."

- Jamie Paolinetti

Swimming

AMPS Swimming continues to grow and push boundaries. We are proud to have had 20 learners compete in their very first gala on Wednesday, 21 October. We couldn't prouder of their grit and determination, and we look forward to watching their continued growth in the weeks ahead.

Highlights of the Relay Gala at St. Dominic's Catholic School:

AMPS competed against 7 other schools and faced tough competition. While finishing 8th overall, Aston Manor Primary improved their final scores when compared to that of 2025 in the same Relay Gala Event.

Our swimming team showed true versatility, with a strong contingent of swimmers taking on competitive backstroke for the very first time. The trajectory is clear—AMPS Swimming is on the rise!

Standout Performers:

Liam Chigurah - Placed 3rd in the U/11 Individual Medley and 4th in the Individual Backstroke event.

Mawande Saule - Placed 4th in the U/11 Individual Medley event.

Thuto Manyuha – Placed 4th in the U/11 Individual Backstroke event.

Mulisa Mavhunga – Placed 1st in the U/12 Individual Backstroke event.

Roanne Gratus – Placed 4th in the U/13 Individual Backstroke event.

The U/11 Girls placed 3rd in the Freestyle Relay event.

We are proud of our swimmers' achievement!

Dear Parents

We are very pleased to introduce you to the **Karri Card**.

A Mastercard for students

The Karri Card is an innovative and secure way for parents to manage their child's spending. Children get their name on a bank card and parents get peace of mind through transaction information and controls.

Parents can top-up instantly, block lost cards, reset forgotten PINs and receive spending alerts in real time. Students can pay at South African merchants that accept Mastercard - perfect for purchases **at school** and beyond!

In addition, the Karri Card provides simplicity and control **not offered by a normal bank card**:

- **Sign up easily** without the need for a birth certificate
- Set **daily spending limits**
- Rest easy knowing **inappropriate merchants** such as gambling vendors and liquor retailers are **blocked** (T&Cs for details)
- **Multi-parent functionality** which allows both parents to manage cards

Opt in process: Parents who would like a Karri Card will have the option to opt-in via a Karri collection. Please pay for the collection before the closing date to get your card on the distribution day.

Fees: Monthly card fees are R39pm for 1 card, R68pm for 2 cards, or R87pm for 3 cards (Incl. VAT). To streamline billing, the first three months will be billed upfront. A 2.5% instant top up fee applies.

Card distribution: Cards will be handed out in class or available at reception on the distribution day. Distribution will take place within about 5 working days after the collection closes. Parents will receive an email when cards are ready.

SA ID required: Due to local regulations, the Karri Card can only be activated by a parent with a SA ID number. Karri is working to offer the card to international parents in the future.

Karri support: Karri's customer support channels are active during office hours on + 27 (0)21 300 1867 or support@karri.co.za. Alternatively, make use of the support chat in the Karri app.

Together we can build smart money habits for the next generation.
