From the Principal's Office

MR W. BOTHA

Week 4 of a 10 week academic term has come to an end and we are looking forward to the remaining 6 weeks. Year-end controlled tests are around the corner and we wish all learners the very best for their final assessments of the year. A special word of thanks to the teaching staff for delivering interactive lessons to the learners on a consistent basis. The standard of teaching is very high and the learners have only themselves to blame if they don't obtain the desired grades by the end of the 2026 academic year. Below are some tips that the learners can follow to study effectively during the examination period:

Planning and Time Management

- **Start Early:** Create a realistic study timetable 3 to 4 weeks in advance, working backwards from your exam dates.
- **Use Short, Focussed Blocks:** Try the Pomodoro Technique (studying with full focus for 25 - 50 minutes, followed by a 5-10 minute break). Avoid multi-hour marathon sessions.
- **Prioritize Weak Areas:** Focus your limited energy on heavy-weight exam topics where you are weakest, rather than reviewing concepts you already know well.
- **Simulate Exam Conditions:** Practice past exam papers under timed conditions without looking at your notes.

Environment and Lifestyle

- **Eliminate Distractions:** Put your phone on "Do Not Disturb" or in another room, and clear your desk of digital and physical clutter.
- **Prioritize Sleep:** Aim for 7 to 9 hours of sleep, especially the night before the exam, as sleep is vital for memory consolidation.
- **Fuel Your Brain:** Eat complex carbohydrates, lean proteins, and omega 3 - rich foods, and drink plenty of water while avoiding heavy sugar crashes.

Building Project

Parents are to please note that the school's staffroom is under construction and that the project will run for a period of 12 weeks. Parents are kindly requested to be patient with the contractor and his staff as building material will be delivered on certain days. The construction area has been demarcated with danger tape and yellow beacons and we apologise for any inconvenience caused.

Grade 1 Cake Sale and Civvies Day

The Grade 1's hosted the last cake sale of the year today and we are extremely grateful for the support shown by our grade 1 parents. Lots of sweet and salty treats were on sale and the school managed to raise an impressive R 19 000.

Proceeds from the **Civvies Day** will be donated to the **Luthemba Lethu Community Project** which is a registered Non-Profit Organisation (NPO) and Public Benefit Organisation (PBO) dedicated to developing disciplined, focused, and purpose-driven young people within schools and communities. Their mission is to empower learners through holistic development by combining mentorship, structured intervention camps, leadership development, and continuous life coaching. Luthemba Lethu believes that lasting transformation occurs when learners receive consistent guidance, accountability, and positive role models. Aston Manor Primary School supports Luthemba Lethu's vision and we are proud to be associated with an organisation that is has a lasting effect on our youth.

Code of Conduct – Learners

Grade RR - 7 parents and learners are to please take note of the following provisions in the Code of Conduct for Learners, pages 17 & 24 of the AMPS Homework Diary:

Section L: Conduct - General

15. Learners must display courtesy, good manners and respect to staff members, fellow learners, parents and the public at all times. Bullying and racism in any form will not be tolerated. If experiencing any form of above mentioned - do not retaliate in kind but report the incident to the class teacher / teacher on duty or the office as soon as possible. A formal disciplinary hearing may be conducted to determine if the incident constitutes bullying or racism.
16. Foodstuffs may not be eaten in the classrooms, toilets, the hall or on the corridors, staircases, tarred and paved areas.
17. No chewing of bubble gum is allowed, even on "casual" days.
18. NO littering of any kind is allowed. All litter is to be disposed of in the blue bins. Papers are to be always picked up.
19. Learners must obey the scholar patrol when crossing the road and must cross the street at the marked off crossings in controllable groups.
20. Grade 1 to 3 - no chips or sweets are allowed from Monday to Thursday. This is only allowed on a Friday at 2nd break. Birthdays - please send in individually packed snacks/ cupcakes for your child's birthday. Delivery to the office must be no later than 09:30 in the morning.

Section P: Learner's Bill of Rights & Responsibilities

MY RIGHTS: What do I expect?

1. I have the right to wear the Aston Manor Primary's School uniform.
2. I have the right to participate fully in the sports, cultural and clubs programme of the school.
3. I have the right to practice freedom of belief.
4. I have the right to express an opinion.
5. I have the right to be treated fairly and for my version of events to be heard
6. I have the right to be taught.

MY RESPONSIBILITY: What must I do?

1. I have the responsibility to wear the correct school clothes in the correct colours whenever I am associated with the school, during and after school hours.
2. I have the responsibility to meet my commitments by regular attendance, correct and appropriate dress and full availability for competitions.
3. I have the responsibility to acknowledge and respect anyone who is of a different faith.
4. I have the responsibility to base my opinions on facts and not to display insolence or disrespect and to use decent language.
5. I have the responsibility to treat people fairly and to listen to their version of events.
6. I have the responsibility to learn and to respect others' right to be taught.

DONATE TO OUR SCHOOL'S SECONDHAND SHOP

Dear Parents and Guardians,

We hope this message finds you well.

We kindly ask for your support in contributing to our school's second-hand shop. If you have any clothing that your children have outgrown and is still in good condition, we would greatly appreciate your donation. These items help support other families in our school community.

Please note that the second-hand shop is open every Tuesday from 7:15am to 9:00am.

Thank you for your continued generosity and support.

Special Parents' Circular No. 234 of 2026

Forwards and backwards in 10s, 20s, 25s, 50s, 100s up to. 700 (from any multiple or number) Creative Art 3D	23 **Spelling Test - Afrikaans** **English - Prefixes & Suffixes** **Afrikaans:** **Lees** Read one page from pages 2 – 16 in your class reader *Die wind en die son en ander stories*. Focus on reading fluently, understanding what you read, speaking loudly and clearly, and using expression. **English:** **Speech** Learners must present a speech about a natural disaster and use a poster to present their speech. **Mathematics Number Patterns- Written** - Extend simple number sequences. Forwards and backwards in 2s, 5s, 3s, 4s, up to700(ascending and descending order) BKPSW: Section A Creative Art 3D

Week 4	26 **Afrikaans: Praat** Learners will deliver an oral speech in Afrikaans about a trip to the farm. Learners should practise and memorise the speech at home and present it with confidence, enthusiasm and expression. **Learners should:** Speak loudly, clearly and at an appropriate pace. Use appropriate facial expressions, gestures and body language. Present with expression and feeling. Use the resources provided to create their own **A4 poster** about the farm and farm animals. Use their poster as a visual aid during the presentation. Point to the different animals on their poster as they speak about them. **Afrikaans: Luistertoets** A listening test for Grade 3 learners helps to develop their ability to listen carefully, understand spoken information, and remember key details. During the test, learners listen to instructions read aloud by the teacher and then follow those instructions to complete the activity.The listening test includes the following in Afrikaans: number names and symbols; rhyming words ("aai" - klank); spelling words that have been covered; letters of the alphabet ;plural forms; 2-D shapes; basic primary colours; directions (left and right); "yes" and "no" question; understanding the meaning of the words: "big" ;"small"; circle, underline, basic Afrikaans vocabulary; and the ability to follow instructions. **Mathematics Measurements Oral and practical-** Length problem solving using formal units of measuring. Creative Art 3D	27 **Afrikaans: Praat** Learners will deliver an oral speech in Afrikaans about a trip to the farm. Learners should practise and memorise the speech at home and present it with confidence, enthusiasm and expression. **Learners should:** Speak loudly, clearly and at an appropriate pace. Use appropriate facial expressions, gestures and body language. Present with expression and feeling. Use the resources provided to create their own **A4 poster** about the farm and farm animals. Use their poster as a visual aid during the presentation. Point to the different animals on their poster as they speak about them. **Mathematics Measurements Oral and practical-** Length problem solving using formal units of measuring. Creative Art 3D	28 **Afrikaans: Praat** Learners will deliver an oral speech in Afrikaans about a trip to the farm. Learners should practise and memorise the speech at home and present it with confidence, enthusiasm and expression. **Learners should:** Speak loudly, clearly and at an appropriate pace. Use appropriate facial expressions, gestures and body language. Present with expression and feeling. Use the resources provided to create their own **A4 poster** about the farm and farm animals. Use their poster as a visual aid during the presentation. Point to the different animals on their poster as they speak about them. **Afrikaans: Klanke (Language Structure)** An Afrikaans Grade 3 language assessment activity, assesses learners' basic language skills, including reading, writing, and understanding Afrikaans. The following will be assessed: spelling; phonic sounds; simple grammar and punctuation; vocabulary; sentence construction; and basic grammar concepts such as plurals, word order, antonyms, verbs, nouns, pronouns, past tense, future tense, and rearranging words to form the correct sentence. The assessment activity helps evaluate learners' ability to understand and use Afrikaans correctly in different contexts. **Mathematics Measurements Oral and practical-** Length problem solving using formal units of measuring. Creative Art 3D	29 **Afrikaans: Praat** Learners will deliver an oral speech in Afrikaans about a trip to the farm. Learners should practise and memorise the speech at home and present it with confidence, enthusiasm and expression. **Learners should:** Speak loudly, clearly and at an appropriate pace. Use appropriate facial expressions, gestures and body language. Present with expression and feeling. Use the resources provided to create their own **A4 poster** about the farm and farm animals. Use their poster as a visual aid during the presentation. Point to the different animals on their poster as they speak about them. **Mathematics NOR written 1-** Describe, order and compare numbers. Number symbols and number names. Place value. Solve problems in context and context free calculations- on addition, subtraction and multiplication. Creative Art 3D	30 **Spelling Test - Afrikaans** **English - air / are** **Afrikaans: Praat** Learners will deliver an oral speech in Afrikaans about a trip to the farm. Learners should practise and memorise the speech at home and present it with confidence, enthusiasm and expression. **Learners should:** Speak loudly, clearly and at an appropriate pace. Use appropriate facial expressions, gestures and body language. Present with expression and feeling. Use the resources provided to create their own **A4 poster** about the farm and farm animals. Use their poster as a visual aid during the presentation. Point to the different animals on their poster as they speak about them. **English comprehension:** Read a story about a natural disaster. Answer Yes/ No, True/ False, Sequence sentences in the correct order, Provide a suitable title for the story, Answer questions in full sentences & justify your answer, Find a word in the dictionary - give it's meaning, type of word it is & the plural **Mathematics Measurements- written** Tell 12-hour time in hours, half hours and quarter hours, minutes on analogue clocks, length of time Use calendars to calculate the length of time in days and weeks. convert between days and weeks, convert between weeks and months. BKPSW: Section B. Creative Art 3D

Week 5	**02 November** **Afrikaans:** **Skryf** **Topic: 'n Uitstappie na Oom Faan se plaas** Write 5 - 8 sentences in a paragraph on a topic using correct spelling, grammar & punctuation. An Afrikaans Grade 3 First Additional Language creative writing assessment gives learners the opportunity to express their ideas using simple Afrikaans. Learners are encouraged to use basic vocabulary, correct sentence structure, and simple grammar. This activity helps develop writing skills, creativity, and confidence in using Afrikaans. It also allows teachers to assess learners' ability to form sentences, use appropriate words, and communicate meaning clearly. **Mathematics Space and shape Oral-** Language of position and views Position and views Read and interpret, informal maps, Use language of position to find objects on maps.	03 **Afrikaans:** **Skryf** **Topic: 'n Uitstappie na Oom Faan se plaas** Write 5 - 8 sentences in a paragraph on a topic using correct spelling, grammar & punctuation. An Afrikaans Grade 3 First Additional Language creative writing assessment gives learners the opportunity to express their ideas using simple Afrikaans. Learners are encouraged to use basic vocabulary, correct sentence structure, and simple grammar. This activity helps develop writing skills, creativity, and confidence in using Afrikaans. It also allows teachers to assess learners' ability to form sentences, use appropriate words, and communicate meaning clearly. **Mathematics Space and shape Oral-** Language of position and views Position and views Read and interpret, informal maps, Use language of position to find objects on maps. **Mathematics NOR written 2-** Number symbols and number names. Solve problems in context and context free calculations on Multiplication and division facts. Solve problems in context and explain solutions- sharing and money problems. Fractions.	04 **Public Holiday** **Local Government Elections Day**	05 **English:** **Creative writing** Write a story in two paragraphs about a natural disaster that happened. Include 6 interesting sentences per paragraph paying attention to spelling ,grammar and punctuation. **Mathematics Space and shape Oral-** Language of position and views Position and views Read and interpret, informal maps, Use language of position to find objects on maps.	06 **Spelling Test - Afrikaans** **English - synonyms** BKPSW: Section C **Mathematics Space and shape Oral-** Language of position and views Position and views Read and interpret, informal maps, Use language of position to find objects on maps.

Week 6	09 **<u>Afrikaans: Begripstoets</u>** Read a passage – **Lara se sirkus.** Answer questions about the passage, answer true/false questions, fill in the missing words, and sequence the events in the correct order. **<u>English Language and Phonics:</u>** Fill in the missing sounds, prefixes, suffixes, conjunctions, punctuation, antonyms, contractions, synonyms, past, present and future tense sentences. **<u>Mathematics NOR written 3-</u>** Place value. Solve problems in context -equal grouping and sharing leading to division that may include remainders. sharing leading to fractions Solve money problems involving totals & change. Context free calculations- Addition and subtraction and multiplication.	10 **<u>Mathematics data Handling-</u>** Analyse data from representations provided.	11	12	13 **All marks on Edupac.**

Week 7	16	17	18	19	20
Week 8	23	24	25	26	27
Week 9	30	**01 December**	02	03	04
Week 10	07	08	09 **School closes**	10	11 **School closes for educators.**

Compiled by Mrs. J. Venter & Grade 3 Educators

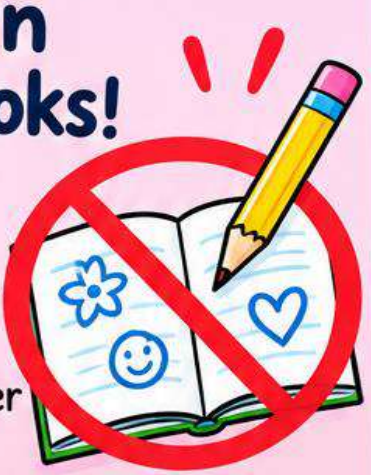
News from the Media Center

Handle with care!

Hold media books with clean, dry hands and turn the pages gently. Be kind to our books!

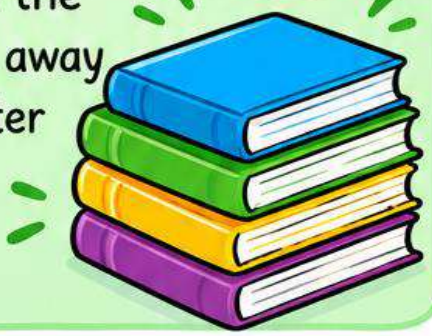
Do not write or draw in media books!

They are not for your drawings, notes or scribbles. Let the next learner enjoy them too!



Keep them clean and safe!

Do not eat or drink near the books. Keep them in the book bag and away from dirt, water and spills.



Turn them in on time!

The media books need to go back so other classes can use them too.

Be responsible and do your part!

Care today... more readers tomorrow!

GIVE YOUR STATIONERY A SECOND LIFE!

Do you have stationery at home that is still in good condition but no longer being used? Instead of letting it go to waste, give it a second chance to make a difference!
We are collecting pre-loved stationery to help children in our community and create stationery packs for children who need them.

WHAT CAN YOU DONATE?

- Crayons and colouring pencils
- Exercise books and notebooks
- Erasers, sharpeners and etc
- Pencils and pens
- Rulers

GIVE WHAT YOU CAN. MAKE A DIFFERENCE.

WHERE TO DONATE?
Please drop off your donations in the collection box in the Grade Head's classroom.

GIVE THE GIFT OF MOVEMENT

Following the success of last year's project, we are proud to announce that our school is now a permanent collection point for the Sweethearts Foundation's "Give the Gift of Movement" initiative.

We invite all families to help us collect and recycle plastic bottle caps throughout the years to come.

The Sweethearts Foundation uses these collections to help provide wheelchairs to people in need, giving individuals greater independence, mobility, and opportunities.

How You Can Help

- Save your plastic bottle caps at home.
- Send them to school at any time during the year.
- Place them in the designated collection bin.

Collection Points

Caps can be placed in the collection points located behind and next to the school hall.

Collect
Recycle
Change a Life

SPEECH & DRAMA

with Startime Players

Find your voice, build your confidence, and discover the magic of theatre!

Does your child love performing, storytelling, or using their imagination?

Join our exciting **Speech & Drama** programme starting in **Term 3!**

Learners will develop:

- **Confidence** and self-esteem
- **Public speaking** and communication skills
- **Creativity** and imagination
- **Teamwork** and co-operation
- **Vocal expression** and stage presence

Through fun games, improvisation, movement, storytelling and performance activities, children will learn valuable life skills in a supportive and enjoyable environment.

THURSDAYS
2:00pm - 3:00pm

OPEN TO LEARNERS FROM GRADE R - 7

PRESENTED BY STARTIME PLAYERS, a local theatre group with over 40 years of experience

For more information regarding costs and registration, please contact

Vivian @ 0833088630

SPEECH & DRAMA

URGENT NOTICE

The School has been in touch with us regarding lessons for Term 4. There seems to be a lot happening at the school this term, so we must adjust the times of our lessons to ensure your children can still participate in Speech and Drama.

Please take note of all the new dates and times below and make arrangements for your children accordingly:

LESSON	DATE	TIME	DETAILS
Lesson 1	Thursday, October 15th	2:00pm – 3:00pm	Normal lesson time
Lesson 2	Thursday, October 22nd	1:00pm – 2:00pm	Time changed due to athletics
Lesson 3	Thursday, October 29th	1:00pm – 2:00pm	Time changed due to athletics
Lesson 4	Thursday, November 5th	2:00pm – 3:00pm	Normal lesson time
Lesson 5	Thursday, November 12th	12:00pm – 1:00pm	Due to school closing early
Lesson 6	Thursday, November 19th	12:00pm – 1:00pm	Due to school closing early
Lesson 7	Tuesday, November 24th	12:00pm – 1:00pm	The lesson is moving to Tuesday because of prize giving on December 3rd and due to school closing early
Lesson 8 Final lesson for the year	Thursday, November 26th	12:00pm – 1:00pm	Due to school closing early

Your cooperation with the above will be greatly appreciated!

Kind Regards
Vivian & Nikki

7's Rugby

AMPS rugby continues to perform at a high level. We are exceptionally proud of our boys and coaches!

U/11 Results of Kempton Hoër 7's Rugby Tournament:

AMPS vs. Laerskool Birchleigh
AMPS Lost 12-14
AMPS vs. Laerskool Van Riebeeck Park
AMPS Won 21-12

Swimming

On Wednesday, 28 October, AMPS swimmers took part in a Relay Gala hosted at Farrarmere Primary School, swimming against 7 schools. AMPS placed 7th overall, it was a close contested gala with 10 points between 3rd and 8th place. We continue to see our swimmers improve in this higher league and we will continue to build on these performances.

Standout Performers:

- Liam Chigurah – Placed 2nd in the U/11 Boys 200m Individual Medley.
- Mawande Saule – Placed 3rd in the U/11 Girls 200m Medley.
- Thuto Manyuha – Placed 4th in the U/11 Girls Individual 50m Backstroke.
- Mulisa Mavhungu – Placed 1st in the U/12 Boys Individual 50m Backstroke.
- Roanne Gratius – Placed 4th in the U/13 Girls Individual 50m Backstroke.

We will be preparing to take part in the last gala of the 2026 season. The Inter-Primary Relay Gala will take place at Rynfield Pinnacle College in Benoni on the 3rd of November. We wish Mrs. Van Den Heever and her team of coaches well for the upcoming fixture.

"The best motivation always comes from within."

Physical Education

At Aston Manor Primary School, we believe in providing opportunities for every learner to develop their skills, confidence and potential.
AMPS is fortunate to have a swimming pool on our school grounds, and we are excited to begin preparations for the 2026/2027 swimming season.
part of their PT programme during Term 4.

We will finish our PT swimming lessons next week and revert back to our curriculum based skills on the field. We would like to thank every household for supporting our programme it remains a privilege to create opportunities for our learners to learn new skills.

Please note that participation in swimming is not compulsory.
Important: No learner will be permitted to enter the swimming pool without the necessary parental/guardian consent being provided.

Arrangements for PT sessions:

Dates:

6 October - 5 November

Participating grades:

Grade 4 - 7

Dress Code:

- PT uniform will be worn with the costume's underneath
- Full costumes for girls and jammer tights for boys
- Sunscreen
- Swimming cap
- Towel
- Kitbag with a change of underwear

All participants must come to school dressed in their PT uniform.

Thank you for your support.

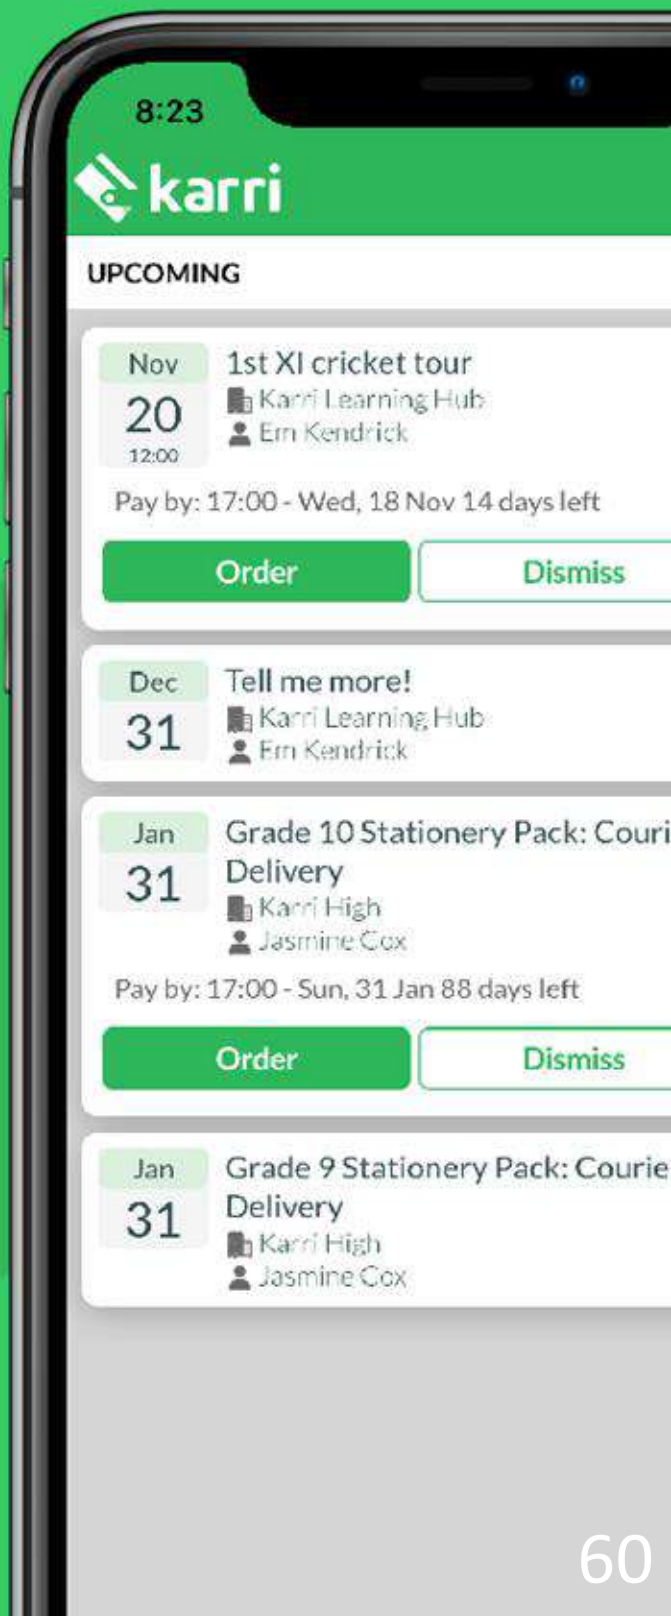
The simplest way to pay your school

1. Download the Karri app for free
2. Create an account using the email address you provided the school
3. Make quick and secure payments to your child's school instantly



Karri is the nation's favourite way to pay schools. Join the hundreds of thousands of parents who make quick, safe and cashless payments for their children daily via the Karri app.

"Convenient, quick payments! No more looking for change, I Love it!" -Karri parent

Available on the App Store

GET IT ON Google Play

Dear Parents

We are very pleased to introduce you to the **Karri Card**.

A Mastercard for students

The Karri Card is an innovative and secure way for parents to manage their child's spending. Children get their name on a bank card and parents get peace of mind through transaction information and controls.

Parents can top-up instantly, block lost cards, reset forgotten PINs and receive spending alerts in real time. Students can pay at South African merchants that accept Mastercard - perfect for purchases **at school** and beyond!

In addition, the Karri Card provides simplicity and control **not offered by a normal bank card:**

- Sign up easily without the need for a birth certificate
- Set daily spending limits
- Rest easy knowing inappropriate merchants such as gambling vendors and liquor retailers are blocked (T&Cs for details)
- Multi-parent functionality which allows both parents to manage cards

Opt in process: Parents who would like a Karri Card will have the option to opt-in via a Karri collection. Please pay for the collection before the closing date to get your card on the distribution day.

Fees: Monthly card fees are R39pm for 1 card, R68pm for 2 cards, or R87pm for 3 cards (Incl. VAT). To streamline billing, the first three months will be billed upfront. A 2.5% instant top up fee applies.

Card distribution: Cards will be handed out in class or available at reception on the distribution day. Distribution will take place within about 5 working days after the collection closes. Parents will receive an email when cards are ready.

SA ID required: Due to local regulations, the Karri Card can only be activated by a parent with a SA ID number. Karri is working to offer the card to international parents in the future.

Karri support: Karri's customer support channels are active during office hours on + 27 (0)21 300 1867 or support@karri.co.za. Alternatively, make use of the support chat in the Karri app.

Together we can build smart money habits for the next generation.

Kind regards,

Finance Department

TOP UP YOUR KARRI WALLET THIS PAYDAY.

Stay ready for every school expense.

With the Karri App you can:

- Plan and budget for school payments.
- Pay collections in seconds.
- Preload funds so you're always prepared for last-minute needs.

SPOTTERS FEE

Refer a friend

AND GET

R2 500 ON US!

IT'S EASY:

1. REFER

A **friend, family** member or colleague who's in the market for a vehicle.

2. THEY BUY

They purchase a vehicle from one of our dealerships.

3. YOU GET PAID

Receive your **R2 500 spotters fee** once the deal is complete.

It pays to spread the word!
