The simplest way to pay your school

1. Download the Karri app for free
2. Create an account using the email address you provided the school
3. Make quick and secure payments to your child's school instantly

Karri is the nation's favourite way to pay schools. Join the hundreds of thousands of parents who make quick, safe and cashless payments for their children daily via the Karri app.

"Convenient, quick payments! No more looking for change, I Love it!" -Karri parent

Dear Parents

We are very pleased to introduce you to the **Karri Card**.

A Mastercard for students

The Karri Card is an innovative and secure way for parents to manage their child's spending. Children get their name on a bank card and parents get peace of mind through transaction information and controls.

Parents can top-up instantly, block lost cards, reset forgotten PINs and receive spending alerts in real time. Students can pay at South African merchants that accept Mastercard - perfect for purchases **at school** and beyond!

In addition, the Karri Card provides simplicity and control **not offered by a normal bank card:**

- Sign up easily without the need for a birth certificate
- Set daily spending limits
- Rest easy knowing inappropriate merchants such as gambling vendors and liquor retailers are blocked (T&Cs for details)
- Multi-parent functionality which allows both parents to manage cards

Opt in process: Parents who would like a Karri Card will have the option to opt-in via a Karri collection. Please pay for the collection before the closing date to get your card on the distribution day.

Fees: Monthly card fees are R39pm for 1 card, R68pm for 2 cards, or R87pm for 3 cards (Incl. VAT). To streamline billing, the first three months will be billed upfront. A 2.5% instant top up fee applies.

Card distribution: Cards will be handed out in class or available at reception on the distribution day. Distribution will take place within about 5 working days after the collection closes. Parents will receive an email when cards are ready.

SA ID required: Due to local regulations, the Karri Card can only be activated by a parent with a SA ID number. Karri is working to offer the card to international parents in the future.

Karri support: Karri's customer support channels are active during office hours on + 27 (0)21 300 1867 or support@karri.co.za. Alternatively, make use of the support chat in the Karri app.

Together we can build smart money habits for the next generation.

Kind regards,

Finance Department
