Code of Conduct – Learners

Grade RR - 7 learners and parents are to please take note of the following provisions in the Code of Conduct for Learners, pages 15 and 16 of the AMPS Homework Diary:

Section L: Conduct – Discipline

1. Learners earning merits for good behaviour and hard work will contribute 5 points to their respective houses (Apollo, Gemini and Mariner) and those learners receiving offences for not doing homework or misbehaving will lose 3 points for their respective houses. Aston Manor learners need to understand and realize that positive behaviour is the end goal and that merits will contribute to their houses receiving a higher final total. Learners receiving offences will influence their respective houses negatively and points will be deducted on a weekly basis. This pertains to all grades. House points are announced to the learners in assembly every week. The house with the most points at the end of the term wins the Inter- House trophy.
2. Three (3) offences will result in a learner having to attend 2nd Break detention for a week.
3. Five (5) offences will result in a learner having to attend Friday afternoon homework class.
4. Homework class finishes at 15:00 on a Friday afternoon.
5. Homework class is compulsory and is viewed in a very serious light. Children are expected to adhere to the dates and times of homework class.
6. Parents must sign and ensure that the child returns the homework class slip to the relevant teacher.
7. Parents are to ensure that their child attends the relevant homework class and must ensure that they are collected promptly after the session.
8. Eight (8) offences will result in a learner having to stand in the foyer of the School hall for a period to be determined by the severity of the offences.
9. Ten (10) offences will result in an intervention meeting with all relevant parties concerned.
10. Intervention meetings will be conducted for repeated offences in terms of homework and bad / inappropriate behaviour.

Section L: Conduct – General

1. Remember it is your attitude and not your aptitude that counts!
2. Merits and commendations are awarded to learners for continual good behaviour as well as displaying a positive attitude towards AMPS.
3. Whether in or out of uniform, learners shall conduct themselves in such a manner to bring credit to Aston Manor Primary School.
4. Learners must leave ablution facilities in a neat and clean condition. They shall NOT block any drain or toilet pan with paper or any other material or substance and shall not open a tap and leave it running.
5. Any conduct or omission which may lead to or have the potential of creating a health hazard for other learners must be avoided.
6. Learners shall comply with the reasonable instructions of the Principal or any staff member regarding the maintenance of a clean, hygienic School environment.
7. Learners may not be in possession of any form of pornography, drugs, alcohol, cigarettes, vapes, cannibas or weapons.

Value of Sport

Sport teaches youth valuable life lessons that go far beyond the playing field. Through teamwork, they learn the importance of cooperation, communication, and trusting others. Competition instills resilience, showing them how to handle both success and failure with grace. Discipline and commitment are developed through regular practice and goal-setting, helping young athletes understand the value of hard work. Most importantly, sport fosters a sense of fairness, respect, and integrity—qualities that shape character and prepare youth for the challenges of everyday life.

At AMPS, we are committed to nurturing the talents of our learners in a supportive and safe environment—one where every child is given the opportunity to compete, grow, and shine.
Our dedicated coaches are excited to continue guiding, training, and inspiring our learners at AMPS.
Thank you for choosing AMPS and we would like to encourage children to take part in our sports activities.

Dear Parents

We are very pleased to introduce you to the **Karri Card**.

A Mastercard for students

The Karri Card is an innovative and secure way for parents to manage their child's spending. Children get their name on a bank card and parents get peace of mind through transaction information and controls.

Parents can top-up instantly, block lost cards, reset forgotten PINs and receive spending alerts in real time. Students can pay at South African merchants that accept Mastercard - perfect for purchases **at school** and beyond!

In addition, the Karri Card provides simplicity and control **not offered by a normal bank card:**

- Sign up easily without the need for a birth certificate
- Set daily spending limits
- Rest easy knowing inappropriate merchants such as gambling vendors and liquor retailers are blocked (T&Cs for details)
- Multi-parent functionality which allows both parents to manage cards

Opt in process: Parents who would like a Karri Card will have the option to opt-in via a Karri collection. Please pay for the collection before the closing date to get your card on the distribution day.

Fees: Monthly card fees are R39pm for 1 card, R68pm for 2 cards, or R87pm for 3 cards (Incl. VAT). To streamline billing, the first three months will be billed upfront. A 2.5% instant top up fee applies.

Card distribution: Cards will be handed out in class or available at reception on the distribution day. Distribution will take place within about 5 working days after the collection closes. Parents will receive an email when cards are ready.

SA ID required: Due to local regulations, the Karri Card can only be activated by a parent with a SA ID number. Karri is working to offer the card to international parents in the future.

Karri support: Karri's customer support channels are active during office hours on + 27 (0)21 300 1867 or support@karri.co.za. Alternatively, make use of the support chat in the Karri app.

Together we can build smart money habits for the next generation.

Kind regards,

Finance Department
